

## Login

<http://ftcc.mrooms3.net/>

There will be a link on the FTCC website or you can access Joule directly.

Enter your username and password.

Username = first name initial + last name + last two digits of student ID

Password = username unless you have changed it

Ex: John Doe Student ID 12345678      Username and password: jdoe78

For the initial login, the password will be identical to the username. The system will prompt you for a password change. It is recommended that the same password be used for your Joule account, email, and computer accounts. The password should be something that is easy to remember.

If the FTCC website is down, use the direct Joule web address <http://ftcc.mrooms3.net/>

“Edit Profile” allows you to add a photo and any personal information you wish to share. Do not post information you do not want the class to see.

“Change password” allows you to change your password anytime during the semester.
